

**REMARKS**

Applicants are correcting a typographical error which occurred in the "Priority" paragraph. The correct U.S. Patent No. 6,429,943 was inadvertently mistyped as "6,429,942" in the "Priority" paragraph on the first page of the continuation application at the time of filing.

It should be noted that the claims presented in the original patent application filed September 9, 2003, are not changed by the present amendment.

The Commissioner is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 50-1703, under Order No. TWI-12030.

**A duplicate copy of this sheet is enclosed.**

Respectfully submitted,
